Vision and mission of the College

VISION

Swami Dhananjay Das Kathiababa Mahavidyalaya was established with a vision of inclusive education that would cater to the underprivileged section. Since its inception in 2009, the institution has nurtured aspirations for higher education in the rural youth giving them an avenue to pursue various disciplines under Humanities and Social Sciences. Empowerment of the rural youth especially women by providing them with academic resources in the form of texts and audio-visual material has brought about a positive change in the rural community and strengthened the network of knowledge transmission resulting in greater assimilation in terms of employment opportunities. The simultaneous increase in the level of awareness has left a positive impact in the quality of intellectual life paving the way for innovative thinking. The vision of the college has not been compromised by a shortage of funds and it continues to nurture innovative thinking through an optimum utilisation of its limited resources. The strength of the institution lies in its potential to cultivate its human resources and instil independent thinking in a liberal academic environment.

Swami Dhananjoy Das Kathiababa was 56th Spiritual Teacher of Acharya Nimbarka Spiritual order. He was born on 15th November, 1901 at the village Bhara of Bishnupur Sub-Division under the jurisdiction of the Bankura District. Since his emanation as a saint he was interested to publish several books on India's Spiritual Heritage with particular reference to Vendantic School. After the foundation of several Kathiababa Ashram at different places of our country, he was actively interested to elaborate his thoughts in several welfare works for the human beings, irrespective of caste, creed & beliefs. In order to fulfill several objectives of Swamiji, foundation stone of this college was laid by him on land donated by Radharaman Mandal & others. He also established a committee and donated funds from his Pranami to initiate the construction of the college building. After several untiring efforts the college buildings were developed by the donations made by his disciples. In 2008, initiatives were taken to create a reserve fund from the donations of Sri Sri Rashbehari Das Kathiababa to the tune of Rs. 10 Lakhs. In 2009 affiliation from the University of Bankura & approval from the Higher Education Council, Govt. of West Bengal were achieved. Consequently, with the grants received from the State Govt. & other sources the college is now in its present position.

Principal's Desk

Swami Dhananjoy Das Kathiababa Mahavidyalaya was established in 2009 in the remote rural area of Bhara. The village of Bhara already had a Primary and a High School functioning on the grounds adjoining to the newly established undergraduate institution. Although not conveniently situated in terms of communication, and located at a distance of about 20 kms from the nearest municipality of Bishnupur, the college was inaugurated keeping the interests of the local people and tribal community in mind. A significant proportion of the student strength of the college belongs to the adjoining villages and tribal belts. The institution, in spite of its isolated situation, has been able to attract students from Bishnupur and adjacent towns as well, who avail the infrequent bus services to materialize their dreams of higher education. The success of the institution lies in its ability to kindle the beacon of knowledge and inspire the spirit to overcome all hurdles that stand in the way of enlightening minds. The thirst for knowledge and quest for economic growth and professional success have ensured a steady inflow of students.

অন্ধকারের উৎস হতে উৎসারিত আলো - রবীন্দ্রনাথ ঠাকুর

At present the Institute offers Honours courses in Bengali, English, History, Sanskrit, Education, Geography and Santali and General courses in Bengali, English, Political Science, Education, History, Sanskrit, Philosophy, Sociology, Geography, Physical Education and Santali.

Although the college is hemmed in by dense forestry which segregates it from the more developed sectors around, the institute and its torch bearers have always encouraged a culture of exchange and kept open the channels of communication when it comes to knowledge. The faculty members take an active role in upgrading themselves by attending conferences, seminars and workshops and encourage their students to follow the same path. The college which at present harbours a Humanities department believes in reconnecting the textual study of humanities to more concrete developments along humanitarian lines that would truly pave the way for rural upliftment. Such a broad and inclusive ethos of learning requires an interdisciplinary approach and an application of textual learning to everyday situations. We sincerely hope our students who are active participants in programmes such as NSS will be able to engineer concrete changes that shape lives in a meaningful direction. What makes our college stand apart is its distinctive vision of empowering the deprived and downtrodden people of the land through knowledge and helping them achieve their true potential. Independent thinking and innovative collaborations are the cornerstones of such a vision.
