Sub: Prayer for recommendation to set up a solar power plant of 10 KW

Respected Sir,

Enclosed please find an application addressed to the Minister- in-Charge, Power & NCES, the Government of West Bengal for setting up of a solar plant of 10 KW capacities

On behalf of the Ad-hoc Governing Body of this college, I would request you to recommend our application (copy enclosed), so that we can get the desired solar plant. This would provide opportunity to the students of the locality under your constitution, who have mainly come from poor & educationally backward family and face serious problem during power cut and low voltage in the existing electric supply.

Thanking you in anticipation & with regards,

Yours faithfully,

Respected Sir,

I am honored to state that we have already submitted our application for installation of a 10 KW Solar Power Plant in our college (Govt.-aided & affiliated to Bankura University). Accordingly, some steps including conversion of 1st Phase connection to 3rd phase connection have been made. But unfortunately the project has not been implemented in our college till now.

So, it is our earnest request to you to see the matter with high care for setting up the desired solar plant for the benefit of our students. We will be highly obliged if you do the needful at the earliest.

Thanking you & with sincere regards,

Yours faithfully,

Sub: Request for setting up of a 10KW Solar Power Plant

Honourable Minister Sir,

I have the honour to inform you that the college (Govt.-aided & affiliated to the University of Burdwan) was established in the year 2009 under the aegis and financial assistance of Swami Dhananjoy Das Kathiababa Trust and the Govt. of West Bengal. The college is situated in the poor and backward rural area of Bankura District where frequent power cut & low voltage, mainly in the summer months, cause disturbances in running admission and examination process. Due to financial constraints it was also not possible for us to install any power back up system in the college.

Therefore, we have no other way but to appeal before your good self to set up of an eco friendly solar plant of 10 KW capacities. This would enable us to serve the need of students And for which we shall remain grateful to you and to your department. Recommendation from the local MLA is being enclosed for your kind perusal and doing the needful from your end.

Thanking you & with sincere regards,

Yours faithfully,

Sir,

WBSEDCL has taken up the project of "Installation of 10 KWp rooftop solar plant at 200 school premises at various location of West Bengal" as per direction of Dept. of Power & NES, Govt. of WB. You are aware that name of your school is included in the list.

However during survey it is observed that 1-phase connection exists in your school premises. In order to install solar PV plant in your school conversion of 1-phase connection to 3-phase connection is required.

In this connection you are requested to contact immediately to the Station Manager of your local Customer Care Center to complete the formalities necessary for the conversion. We are intimating the Station Managers accordingly.

Please treat this as most urgent.

Report of State Level Seminar on Solid Waste Management-24.03.2023

Today i.e. on 24.03.2023, an inter-state seminar was organized in Swami Dhananjay Das Kathiababa Mahavidyalaya under the joint initiative of Department of Geography and IQAC, the main topic of which was Solid Waste Management. Prof. Apurba Ratan Ghosh, Head of Department of Environmental Science, Burdwan University was the main speaker of this discussion cycle. Also present at the event were the President of the Management Committee of the College Mr. Gorapada De and Principal Dr. Kakali Ghosh Sengupta and other eminent persons. Advice is given on taking appropriate steps to improve the society by limiting the amount of waste material through re-use of solid waste material. The lively speech of the keynote speaker enthralled all the students and professors and teaching staff. Head of Department of Geography Dr. Mahuya Bandyopadhyay. Head of English Department Swatee Sinha were the chief conductors of the event. The program became a success with the good attendance of all.

TREE PLANTATION PROGRAMME ON 1 ST TO 7 TH SEPTEMBER, 2019

Program Report: Today (07.09.2019) the week-long tree plantation program undertaken by NSS UNIT-1 of Swami Dhananjoy Das Kathiababa Mahavidyalaya is the last day. A total of 50 trees were planted within the Mahavidyalaya's boundaries. Guava, Amra, Litchi, Akashmani and several other types of trees have been planted. The trees were encircled with nets and wires on all four sides so that no animals destroy them. Students completed the work today with great enthusiasm.
